

RESOLUTION

ADOPTING A REVISION TO THE PUBLIC INFRASTRUCTURE MAP FOR THE PRIMARY URBAN CENTER DEVELOPMENT PLAN AREA, HONOLULU, OAHU, HAWAII.

WHEREAS, the Public Infrastructure Map ("Map") for the Primary Urban Center Development Plan area was initially adopted under Resolution 04-246, CD1; and

WHEREAS, the Scientific Investigation Section of the Honolulu Police Department was established in 1938 to provide forensic services for federal, state and other county law enforcement agencies; and

WHEREAS, the Honolulu Police Department's Scientific Investigation Section is the only full-service forensic lab in the state of Hawaii; and

WHEREAS, the Scientific Investigation Section does not have adequate space to expand to meet the growing demand for its services by federal, state and county law enforcement agencies; and

WHEREAS, the lack of space to expand threatens the loss of the section's accreditation, creates an unsafe working environment, and cannot support modern forensic procedures; and

WHEREAS, completion of the proposed expansion will provide adequate space for the Scientific Investigation Section to accommodate additional staff, and install newer equipment that are needed to meet the increasing demands placed on it for forensic services; and

WHEREAS, Chapter 4, Article 8, Revised Ordinances of Honolulu (ROH) 1990, as amended, requires that any major public facility, including modifications to a police station, be shown on the appropriate public infrastructure map for a development plan area before the Council may appropriate land acquisition or construction funds for the facility; and

DPPPIM7.R06

RESOLUTION

WHEREAS, the City Council finds that expeditious placement of the appropriate police station/modification symbol on the Primary Urban Center Public Infrastructure Map is necessary to fund the construction of the planned expansion of the Honolulu Police Department's Scientific Investigation Section in order to meet the growing demand for forensic services by federal, state and county law enforcement agencies; and

WHEREAS, the Police Headquarters-Crime Lab Expansion project shown in Exhibit A is consistent with the adopted Oahu General Plan, the Primary Urban Center Development Plan; now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that the Primary Urban Center Public Infrastructure Map, adopted on October 13, 2004 as Resolution 04-246, CD1, for the Primary Urban Center Development Plan be revised to include a police station/modification symbol for this project; and

BE IT RESOLVED by the Council of the City and County of Honolulu that the police station/modification symbol shall be deleted from the Primary Urban Center Public Infrastructure Map by administrative procedure once completion of the Scientific Investigation Section expansion has been certified in writing by the applicant/agency to the Department of Planning and Permitting and the City Council; and
